

When I'm 64: A Guide to Benefits and Services for People Aged 60 and Over

Booklet, 94 pages, plus 8 page insert

2008

Free from Legal Services Society

This popular booklet describes the government benefits and services BC residents may be entitled to if they are 60 or over. Much of the information is about federal and provincial government programs for senior citizens in BC.

Since When I'm 64 was last printed in January 2006, there have been some important changes to the laws and benefit rates. **LSS has added an update sticker and insert to the existing booklet to explain the changes.**

The changes include updates to:

- benefits, including the benefit rates for January – March 2009
- services, such as premium assistance, the provincial home owner grant, and bus passes
- controlling your own affairs, including making, cancelling, or revoking a power of attorney
